Special Study on Estimated Savings by Location in Single Building

50X1 1. Attached for your information is a copy of the special
information provided for [] at his request in connection
with the special study which he is now making for Mr. Wolf.
50X1 Other special information in connection with this study he is
securing directly from the various offices concerned, chiefly
Administrative Services. [] indicated that at a later
date he would be interested in discussing with me a draft of
his study to secure any general reactions that I might have.
